LLOYD BUSINESS SCHOOL, GREATER NOIDA

The Lloyd Business School was founded in 2004, guided by the philosophy of combining theoretical knowledge with practical applications in order to create skilled, highly trained and employable professionals. We are able to fulfill this mission by having a strong Industry connect. Located in a quiet and lush green campus spread over 10 acres in Knowledge Park – II, Greater Noida, Lloyd is an AICTE approved, co-educational, institute. We constantly strive to achieve its objectives of delivering quality education to students while ensuring their professional development through Professional Development Programs, On-job-Trainings, Corporate faculty and exposure to multiple industries & sectors with which the institute has intensive tie-ups.

The strength of the Institute is in the niche and highly industry-integrated courses that it offers in the field of management under the combined aegis of renowned faculty members and highly respected corporate professionals. The Institute's proximity to some of the country's leading corporate houses & organizations provides an edge of integrating the classroom knowledge with professional experience.

To provide better career opportunities & an edge to students, Lloyd Business School and Safeducate Learning Pvt. Ltd have come together to facilitate industry and academic cooperation between the parties and provide platform to students opting for PGDM in Supply Chain management.

Safeducate Learning is a leading training, skill upgrading and consulting organization that specializes in the domains of Supply Chain Management & Logistics, Retail, Manufacturing and Automotive; launched by Safexpress, India's leading Logistics management company in 2007.

Safeducate, in its 10th year of excellence, has transformed the lives of more than 50000 people through various vocational and professional Certification courses & programs. The company has over 150 training & skilling centres at strategically located places in India, and have carefully set up its centres closer to the areas wherein training & skilling needs are the highest. By using the latest technology, innovative tools and rich pool of experienced, qualified & certified trainers, and subject matter experts, Safeducate displays a unique ability to develop & transform the lives of its different types of learners through highly focused & industry relevant courses, programs and workshops.

Safeducate has been recognized by many national & global agencies, and has been conferred with many awards of excellence:

Awards { *'Contribution in SCM & Logistics Education' by Economic Times*
'Best Training & Skilling Organization' by CII
'Best Institute for Innovation in Skilling' by ASSOCHAM

Structured in conjunction with Safeducate, our PGDM program incorporates a dynamic curriculum encompassing theoretical and practical knowledge of Operations, Logistics and synchronization of Demand & Supply in highly competitive market.

THE SUPPLY CHAIN SECTOR IS BOOMING AND THRIVING BECAUSE

The Indian Logistics Industry has grown at a compound annual growth rate(CAGR) of 7.8 percent during the last 5 years paving way for innumerable career opportunities.

The Indian Supply Chain sector provides employment to over 22 million people.

Indian Logistics Industry will reach 215 US Billion Dollars by the year 2020-21.

Where will a PGDM Supply Chain Graduate get placed ?

RECRUITERS

STUDENT TESTAMENT

Lloyd puts students to the forefront in all the efforts & I have never been let down anyway. I am glad I am part of this place.

GURDEEP SINGH

(B.Sc., Punjab University), PGDM SCM (2017-19)

PROGRAMME TEAM

Mr. Manohar Thairani
President, Lloyd

Mr. Thairani is a Chartered Accountant with a diverse and extensive experience of over 25 years in the fields of Business and Management. An industry professional, who was equally passionate about advancing the cause of education, saw a gap in the current education system for an institute that could engender industry ready professionals. He launched the Lloyd Group with a focus on embodying management principles, practices and politesse in the curriculum to ensure that a graduating student had the confidence to face the dynamic and demanding Indian industry.

Dr. VANDANA ARORA SETHI
Group Director

Vandana Arora Sethi is a Gold-medalist from Delhi University and holds a Ph.D. with work experience of more than 15 years, including industrial experience at Ranbaxy Research Laboratories, Gurgaon and at Smart Analyst Inc., Gurgaon. She is confident, self-motivated, target-oriented and innovative with a zest for accomplishing the tasks with sincerity & dedication. She is strongly committed to progressive and innovative methodologies. Master of a sharp & analytical mind, she has the ability to see end to end keeping organization goals in mind, ability to evaluate and effectively focus on right target, strong communication & intra personal skills. She has a track record of achieving results consistently, has received several recognitions and team excellence appreciation awards from the various organizations. Aiming to take the Business Analytics programmes at Lloyd to great heights, she interacts with the IBM Experts personally and ensures that the students get the right learning with right technological know-how and at the right time. Leading Lloyd the right way and keeping students first from the last 13 years at Lloyd, Dr. Vandana is determined to take Lloyd to new heights and see that each Lloydian is an achiever.

SATISH KUMAR MATTA
Director

Presently heading the School of Business Management at Lloyd Group of Institutions, Dr. Matta has over 30 years of expansive academic experience. He is an acknowledged author and management researcher with a myriad of publications in the fields of Financial Institutions & Services, Working Capital, Tax Planning, E-business & Accounting and Business Regulations. He is a prolific writer with multiple books to his credit and over 35 research papers to his name in reputed national and International Journals.

SABEENA YOUSUF
Programme Leader

Sabeena Yousuf holds a Bachelors of Business Administration from University of Kashmir and MBA from prestigious University, Jamia Millia Islamia, New-Delhi. She has over two years of experience in managing a handicraft firm, dealing with client interactions, product development and marketing of the products. Ms. Yousuf is a Training & Placement coordinator at Lloyd Business School who aims for and works towards the holistic development of the students. Sabeena ensures balanced and timely engagement of students in academics & practical aspects of the programme. Working closely with various people internally & from the Industry, she coordinates for various personality development programmes, activities, events & visits. Her teaching interests include Consumer Behavior, Strategic Management & Business Communication.
