Lloyd Business School

Greater Noida

The Lloyd Business School was founded in 2004, guided by the philosophy of combining theoretical knowledge with practical applications in order to create skilled, highly trained and employable professionals. We are able to fulfill this mission by having a strong Industry connect.

Located in a quiet and lush green campus spread over 10 acres in Knowledge Park – II, Greater Noida, Lloyd is an AICTE approved, co-educational, institute.

We constantly strive to achieve its objectives of delivering quality education to students while ensuring their professional development through Professional Development Programs, On-job-Trainings, Corporate faculty sessions and exposure to multiple industries & sectors with which the institute has intensive tie-ups.

The strength of the Institute is in the niche and highly industry-integrated courses that it offers in the field of management under the combined aegis of renowned faculty members and highly respected corporate professionals. The Institute's proximity to some of the country's leading corporate houses & organizations provides an edge in integrating the classroom knowledge with professional experience.

ABOUT THE PROGRAMME

Lloyd PGDM in Finance (Major) is a 2-year full time AICTE approved course. The programme runs in collaboration with Industry Partner National Stock Exchange and aims at making a student excel in Banking & Financial Management and facilitate theoretical learning and the practical application of the same in highly competitive industry where skills define success.

Lloyd's PGDM program designed to impart contemporary strategic and operational business knowledge to the students in line with industry trends. In pursuit of fulfilling this vision, Lloyd offers a unique 'Work & Learn Programme', which provides 'Summer Training' for educating our students about skills, knowledge, and competencies needed for employees to succeed within a corporate set up as a part of the course. This Work & Learn Model is the most distinguishing feature of the course enabling fresh graduates with work experience.

Why Finance?

NSDC-KPMG report says the BFSI sector will recruit over 1.01 million additional employees during 2017-22. Another KPMG-CII report states that the banking Industry in India has the potential to become 5th largest in the world by 2020 and 3rd largest by 2025.

Technological innovations such as ATMs, internet banking, payment gateways, and UPI along with government policy initiatives like banking sector reforms, have brought about a dramatic change in the way the Banking and Finance industry operates. This change demands working professionals who are future ready and equipped with industry-focused skill sets.

Completing the PGDM in Finance programme can put you on a career path in leading private banks, NBFCs, mutual funds, life and general insurance companies, capital market companies etc.
