LLOYD BUSINESS SCHOOL

The Lloyd Business School was founded in 2004, guided by the philosophy of combining theoretical knowledge with practical applications in order to create skilled, highly trained and employable professionals. We are able to fulfill this mission by having a strong Industry connect. Located in a quiet and lush green campus spread over 10 acres in Knowledge Park – II, Greater Noida, Lloyd is an AICTE approved, co-educational, institute. We constantly strive to achieve its objectives of delivering quality education to students while ensuring their professional development through Professional Development Programs, On-job-Trainings, Corporate faculty sessions and exposure to multiple industries & sectors with which the institute has intensive tie-ups.

The strength of the Institute is in the niche and highly industry-integrated courses that it offers in the field of management under the combined aegis of renowned faculty members and highly respected corporate professionals. The Institute's proximity to some of the country's leading corporate houses & organizations provides an edge in integrating the classroom knowledge with professional experience.

To provide better career opportunities & an edge to students, Lloyd Business School and Safeducate Learning Pvt. Ltd have come together to facilitate industry and academic cooperation between the parties and provide platform to students opting for PGDM in Supply Chain Management.

PGDM-SCM programme runs in collaboration with Industry Partner Logistic Sector Skill Council of India and aims at making a student excel in Supply Chain Management and facilitate theoretical learning and the practical application of the same in highly competitive industry where skills define success. Lloyd's PGDM program is designed to impart contemporary strategic and operational business knowledge to the students in line with industry trends. In pursuit of fulfilling this vision, Lloyd offers a unique 'Work & Learn Programme', which provides 'On-Job-Training' for educating our students about skills, knowledge, and competencies needed for employees to succeed within a corporate set-up as a part of the course.

This Work & Learn Model is the most distinguishing feature of the course enabling fresh graduates with work experience. Structured in conjunction with Logistic Sector Skill Council of India, our PGDM program incorporates a dynamic curriculum encompassing theoretical and practical knowledge of Operations, Logistics and synchronization of Demand & Supply in highly competitive market
