ABOUT LLOYD BUSINESS SCHOOL

Lloyd Business School is located at Knowledge Park – II, in the heart of Greater Noida (Delhi - NCR). A quiet and lush green campus spread over 10 acres, it is truly picturesque and scenic. Approved by AICTE (Ministry of HRD, Govt. of India), independent, co-Educational, privately endowed institute, Lloyd has been operational since 2004. Lloyd constantly strives to achieve its objective of delivering quality education to students while ensuring their professional development. The strength of the Institute lies in the niche and highly Industry-Integrated courses that Lloyd offers in the field of management under the combined aegis of renowned faculty members and highly respected corporate professionals, along with industry partners.

VISION

To be a centre of excellence in all aspects of management education and produce ethical leaders with functional expertise, sustainability and entrepreneurial perspective to improve the employability.

MISSION

To offer an academically rigorous, practice and research supported, management education based on principled and ethical values, sensitive to the ever-changing needs of the profession, society, industry and country.

To continue to provide a stimulating learning environment which fosters the understanding of disruptive, technological challenges, and encourages continuous innovation and learning.

To promote practice of collaborations and work related learning experience which focuses on the application of knowledge and skills and is globally relevant.

We offer personal mentoring which respects individuality and inspire students to become responsive and responsible business leaders.

Lloyd College Collaboration with Pranab Mukherjee Foundation for Social and Management Reform

**Fostering Innovation-
Awarded by
Vice President
Shri M. Venkaiah Naidu**

**HON'BLE PRIME MINISTER SHRI NARENDRA MODI
along with Mr. Manohar Thairani (3rd from Left) at Vigyan Bhawan, Delhi**

From President's Desk

“The essence of true education is not only to facilitate the students with tools to attain success in life but also to engrain values in them.”

We, at Lloyd, work to incorporate the principles of modesty, compassion coupled with idea to effectuate innovation, growth and excellence. The curriculum of the program is industry oriented. Academic rigour is reflected in the course design and delivery of this program. Various pedagogic tools help our students develop not only a holistic business perspective but an ability to seize opportunities in a competitive business environment. At the same time they remain committed towards the betterment of the society.

LBS is supported by state of the Art Infrastructure and coupled with industry oriented curriculum based on real life practical training. Academic rigour is reflected in the course design, delivery of academics and dedicated team of faculty members, equipped with right mix of industry-academic-research experience. Members of faculty are involved in their pursuit of developing and disseminating knowledge through teaching, research and consulting. Lloyd Business School welcomes you to join us to realize your full potential under our able guidance.

Manohar Thairani
President, Lloyd

Testimonials from Corporate Professionals

Mr. Dipankar Das
Head (Staffing Operations)
Manpower Group

This (HR Conclave) was very informative and interactive conclave. Industry and academic meet was an excellent and informative. Sharing was immense.

Mr. Harry Himmat Lagad
Member of SICCI;
Chairman, National Supply
Chain Council;
Chairman, National Start-ups

An excellent and well organized well thought of Conclave (SCM), bringing together industry expert and aspiring candidates to a platform. Wishing Lloyds all the very best for all future endeavours in education. Hope you also start focusing on Leadership.

Mr. VGS Mani
Founder
The Chain Works

Pleasure and privilege to be here. Impressed by the facility and the partnership built. The team's passion and energy is strongly visible! Thanks for having us here.

Ms. Nisha C D Kurup
Senior Manager
NHRD

Very visionary concept for deliberations – executed well. Keep up the good work! Look forward to contribute on an ongoing basis.

Mr. Viney Kaushik
CHRO-Nuberg
Engineering Ltd.

"The Lloyd HR Conclave had an apt and relevant theme. It was meticulously organized to create a flawless interaction, full of wisdom exchanged by the experts. The engagement and involvement customized to the organization, involving different generations and prevailing circumstances."

Ms. Soni Khanna
Principal Consultant-TC
Global

"The HR Conclave organised by Lloyd Business School was insightful and meaningful in today's time. I enjoyed listening to all the experts and I hope such webinars are done more frequently so that students gain from listening to the industry."

From Our Leaders

We, at Lloyd Business School, are driven by the belief that every child deserves a high quality education. Given that in today's generation where there is an intersection of great challenge & great opportunity, especially in the dynamic world of corporate, we need to think “out-of-the-box” and provide only the best to our students.

Since its inception more than a decade ago, Lloyd has remained a place of innovation and excellence in management education. As the needs of society and profession have changed, the institute has also evolved and continues to bring about positive

changes to prepare future managers for an expanded role in the business world. Consistently amongst the top-ranked private schools of management, Lloyd continues to be an innovative force in management education to meet the needs of an ever - changing world.

Our main forte lies in our links & collaborations with the industry. We believe more in practical application rather than just a theoretical understanding. Not only the students, but also the faculty undergoes practical refresher training session in the industry on a regular basis. Lloyd provides an exciting and engaging environment for students to pursue their studies as well as engage in activities that will make them successful ahead.

It is my strong belief that Lloydians shall achieve great heights in their careers and contribute to the society in numerous ways.

Dr. Vandana Arora Sethi
Group Director, Lloyd

Lloyd Business School (LBS) is the futuristic institution with a vision to become a centre of excellence in all fields of management education. The foreseeability of the institution reflects in the design & structure of management programs that are running within the institution. The management programs at Lloyd Business School are delivered in collaboration with industry for perfect synthesis of theory and practice. The rigorous participation of industry partners during academic delivery has ensured that the management programs at LBS become one of its kind. The unique practices LBS follows in disseminating management knowledge and education; is developing innovators managers and leaders who add immense value

to industry and human excellence. Management education at LBS is aimed to empower all the stakeholders. The intellectual capital of LBS has close association with industry and society. The continuous involvement of faculties in research and development has developed a vibrant & cohesive contemporary teaching and learning ecosystem that is supported by excellently designed infrastructure. The infrastructure at LBS meets the cutting age demand of the contemporary learning environment. We at LBS develop responsible citizens of the world and leaders of the future. At Lloyd business school we are committed to achieve our goals.

“Arise awake and stop not until the goal is achieved.” - Swami Vivekananda

Post Graduate Diploma in Management Core (Both Major)

About The Program

PGDM Program at Lloyd Business School is 2-year full time AICTE, Ministry of HRD approved program that is aimed to develop holistic personality of an aspirant. The program is designed to meet the cutting-edge demand of the global industry. The program enables an aspirant to master the contemporary specializations such as Business Analytics, Finance, HR, and Marketing.

Why PGDM Dual Specialization?

The dual specialization is an excellent selection for sustainable career in the field of management. A student earns his specialization in any two areas of management with equal weightage. The student goes through eight papers of each specialization in trimester IV and V, which boosts his knowledge in dual areas of corporate structure. The employment opportunities of the students with dual specialization gets a hike as the spectrum of services an aspirant can render to the organization increases substantially.

“HR Conclave 1.0 was very informative and interactive. The amalgamation of industry and academia was excellent and informative.”

Mr. Dipankar Das
Head (Staffing Operations),
Manpower Group

Post Graduate Diploma in Management Finance (Major)

Lloyd PGDM in Finance (Major) is a 2-year full time AICTE approved course. The programme runs in collaboration with Industry Partner National Stock Exchange and aims at making a student excel in Banking & Financial Management and facilitate theoretical learning and the practical application of the same in highly competitive industry where skills define success. Lloyd's PGDM program designed to impart contemporary strategic and operational business knowledge to the students in line with industry trends. In pursuit of fulfilling this vision, Lloyd offers a unique 'Work & Learn Programme', which provides 'Summer Training' for educating our students about skills, knowledge, and competencies needed for employees to succeed within a corporate set up as a part of the course. This Work & Learn Model is the most distinguishing feature of the course enabling fresh graduates with work experience.

Why Finance?

NSDC-KPMG report says the BFSI sector will recruit over 1.01 million additional employees during 2017-22. Another KPMG-CII report states that the banking Industry in India has the potential to become 5th largest in the world by 2020 and 3rd largest by 2025.

Technological innovations such as ATMs, internet banking, payment gateways, and UPI along with government policy initiatives like banking sector reforms, have brought about a dramatic change in the way the Banking and Finance industry operates. This change demands working professionals who are future ready and equipped with industry-focused skill sets.

Completing the PGDM in Finance programme can put you on a career path in leading private banks, NBFCs, mutual funds, life and general insurance companies, capital market companies etc.

LIFE @ LLOYD

“Lloyd Business School is truly a student's college. The engagement of students can be felt all around. There is an incredible sense of ownership from top to bottom.”

Dr. Anju Chawla
Coach, Author, Assessor, Trainer

**Unlimited
Opportunities**

“The infrastructure at Lloyd is excellent. The E-garage and labs are especially vibrant and we were encouraged to make use of all facilities so that we could continuously learn. I also enjoyed being part of diverse crowd of students at Lloyd. I made friends from all corners of the country.”

Gurdeep Singh
PGDM 2017-2019

CLUBS

@Lloyd Business School

Sports Club - The Victorious

With the motive of building strong Human Values the VICTORIOUS CLUB was formed at Lloyd.

Victorious the Club which looks after the sports activities of Lloyd Business School came into existence in 2017 in formal ways. Whereas the sports activities have been taking place since inception. In the very first year of its existence as "Victorious Club" it has organized various sports fest for Intra as well as Inter College under the caption name 'LLOYD CHAMPIONS LEAGUE'.

Aakruti Cultural Club

Aakruti Cultural Club of Lloyd Business School aims to provide opportunities to everyone to experience and learn cultural aspects and participate in educational programs and develop their creative abilities. It also ensures to enhance the artistic qualities of its members as well as other students.

Editorial Club- Lloyd Signature

Overview of Editorial Club-The Editorial Club aim is to promote research manuscripts, literally creativity and skills of faculty and students. It also encourages faculty and students to develop a taste for research in their respective fields and also publish their research manuscripts.

Entrepreneurship Club- E-Cell

The Vision of E-Cell is to develop students' inclination and interest towards entrepreneurship. The cell works towards building confidence and vision towards having own startups. It also spreads awareness regarding the schemes and facilities available for the startups. This is done by the following means

- Organising workshops and lectures periodically to create awareness about entrepreneurship.
- Functioning as a guide for students with creative ideas which can be transformed into successful companies
- Providing Mentorship through experts for students launching their start-ups.

CSR Club Good Samaritans

People Connect, Human Resources Club aims to serve as a valuable resource for both the Human Resource Management students and those students who are interested in personal and professional development by providing recital opportunities, educational speaking sessions, helping in enhancing leadership skills,

Finance Club- Money Lovers

Situated here at the Lloyd College, the Student's Finance Club was made with the goal of instructing students & understudies on methods for dealing with their funds, strategies for structure and keeping up a venture portfolio, while investigating the manners in which an individual can make a superior future through more insightful financial basic leadership.

CLUBS

@Lloyd Business School

HR Club-People Connect

People Connect, Human Resources Club aims to serve as a valuable resource for both the Human Resource Management students and those students who are interested in personal and professional development by providing recital opportunities, educational speaking sessions, helping in enhancing leadership skills, decision-making skills, interpersonal skills, interactive workshops and various activities to empower our future leaders.

Business Analytics Club - The Grey Matter

The purpose of Business Analytics Club is to make people aware about this concept that how today world is transforming on this platform and how we can analyse things and give meaningful insights.

Supply Chain Club - The Life Chain

To provide tools and resources to impart industry relevant knowledge in students through industry integrated practical aspects of learning and development. SCM club strives to develop leadership, responsibility, character and networking through industry integration in form of interactive sessions, projects, facility visits etc.

☺ The MBA Program has a holistic approach towards management. The faculty in the field of QTM, Marketing & Business Research is exceptional. Being a part of Lloyd Institute of Management & Technology has been a great journey in every possible manner. ☺

Industrial Visits

At Lloyd Business School, the aim of exposing the students to real-time Industry practices is facilitated by the regular Industrial Visits. The visits familiarize the students about how the organizations operate in the environment facing challenges and achieving goals. In the past, our students have visited Manpower, Ananda, Bisleri, Mother Dairy, Parle, and so on.

“A safe and friendly learning environment with approachable and professional faculties. I pursued PGDM HRM and learned a lot through the course component. It has also contributed to my personal and professional growth.”

'Niyukti' Job Fest

Niyukti Job Fest brings hundreds of job aspirants and scores of recruiting companies together under one roof and gives them an opportunity to seek out the best match for each other, from each other.

Since four years of its inception, Niyukti, the Annual Job Fest of the Lloyd has hosted more than 4000 students and 150 recruiters every year. The dream “*Sab ko Shiksha, Sab ko Rozgaar*” of our Honorable Prime Minister could be realized only if some socially responsible organizations took it upon themselves for this noble cause.

The event’s sole purpose is to “connect the right candidate with the right company for a bright career” and provide job opportunities for the soon-to-be-graduates as well as struggling-experienced students. Lloyd-Job-Fest is sumptuously publicized, covering a huge geographical arch and today attracts students from not just Uttar Pradesh, Delhi-NCR also Rajasthan, Orissa, Maharashtra, Tamil Nadu, Madhya Pradesh, Punjab and many more...

STUDENT TESTAMENT

Rakesh Bhatt

"Pursuing PGDM HRM from Lloyd Business School has been a game-changer for my career. I have gained first-hand insights into the nuances of what it's like working in the industry through the very rich and practically designed curriculum. Being adept at the current tools and technology, optimisation and much more has proven really beneficial for my upward growth and Lloyd business school has a major role to play in that."

Anushka Singh

"It was always my dream to build a career in this stream and without the right kind of support from Lloyd college, I would not have been able to begin my journey. Lloyd college has extremely valuable faculties and it would have been difficult to achieve success without their invaluable input and unconditional support. The environment of the campus is friendly and we get to interact with all kinds of students here. Also, the college provides individual focus and attention on each student and gives them personalized feedback so that they have scope to learn from their mistakes and get success."

Gauri Singh

"PGDM-HRM gives you a practical insight into Human resources. This course will help you strengthen your practical skill through case studies, live projects, and guided workshops that help in enhancing and building interpersonal skills. This course gives you detailed knowledge about Human resource structure as well as marketing strategies. You learn how to develop strategies and cope with prevailing market situations. They have good infrastructure and projector lapse classes. They have a library lapse with all domain books where we can sit and study. Every year they organize a fest and it was extremely good to be in the moment and enjoy it."

Shivika Gupta

"Education curriculum helped me to understand the subjects more clearly with the help of nurturing faculties who motivates us to do better. The College's infrastructure is well equipped with computer labs, spacious library, grounds with the greenery and class rooms as well. It provides the opportunity to evolve yourself."

Bendangienla

"A safe and friendly learning environment with approachable and professional faculties. I pursued PGDM HRM and learned a lot through the course component. It has also contributed to my personal and professional growth."

Pratibha Mishra

"What's absolutely incredible about pursuing PGDM Human Resource from Lloyd is the knowledge that I've learned beyond the curriculum. I can proudly say that I've fetched a 360° exposure into the industry through so many webinars by distinguished corporate leaders, faculty, certification courses, projects, visits, and whatnot! HRM is surely a very futuristic, rewarding, and highly in-demand course and I am grateful that I trusted Lloyd Business School with my higher education."
